OK, I added John's changes on Wheeling. I changed the total MW for Burger to 192, based on Ohio's most recent letter.

Wheeling slide attached. Pls review. I wasn't sure that John M had made a final pronouncement, but our discussion sounded like it was leaning toward taking Mead Twp out, so that's how I did the slide. If I got that wrong, or if we want pro/con here, let me know.

Mary,  
Let me know when your Wheeling slide is done and I will send all the slides to Rhonda at once.  
Thanks,
